

NC meeting at the RR National Gathering, Wirksworth, Oct. 7, 2018

The next NC meeting will be in Birmingham on 2 Feb 2019. Details to follow. Please send ideas for the agenda to me. I'll send a reminder early in January. Early train bookings save money!

Malcolm Donne has volunteered to become the new BMC contact, taking over from Andy Bateman, who has been in post for several years. Thanks to Andy and good luck to Malcolm! Barbara Segal to pass Malcolm's e address to Andy to forward to the BMC.

Barbara Segal and, hopefully, Steve Wright to complete a review of constitution.

Barbara and Humphrey Southall to review transport charges for Bands 4 & 5, to bring them into line with ratios regarding other charges - possible trial run on the forthcoming national week-long trip to Gt. Langdale. The meeting was sympathetic to charges probably being reduced.

Humphrey to oversee the change of signatory from Sherry McLiver to Adrian Jones as National Trips Treasurer.

Janet Saunders and Dave Doody to inform non-members that they will be removed from the RR national e list and then remove them soon afterwards. It will subsequently only be open to members - any not currently registered will be told how to by Janet and Dave – involvement is entirely optional. (182 out of a total membership of about 320 are already registered.)
